

# The Best Tech Gear for the Ultimate Camping Trip

Tired of going completely back-to-basics when camping?

Nearly [42%](#) of campers spend up to \$200 on gear alone. Make sure you're spending it on the right gear.

Let's make your next camping trip a memorable one with this incredible tech gear.

## The Basics

Anytime you decide to go camping, there are essential items - [such as shelter and a source of warmth](#) - that you're going to need. The tent and the sleeping bag have had this covered for a very long time, but it's 2018.

It's time to spice up your camping trip with some much-needed essentials.

## Best Tech Gear for Camping

### Eton Scorpion II

With a durable exterior, weather radio, smartphone charger, an LED flashlight, this weather radio is an absolute must-have for camping adventures.

It's accompanied by a digital tuner for a precise reception, a rechargeable 800 mAh lithium battery, and a bright 1/2 watt LED.

[The Eton Scorpion II](#) has a 4-star rating on Amazon, a well-earned Amazon's Choice banner, and is Prime eligible. It comes in at \$45.46 and includes free shipping.

### Sawyer Mini Water Filtration System

Ideal for camping and general emergency preparedness, this high-performance filter fits right into the palm of your hand; it's a perfect addition to your arsenal of tech gear. Plus, it weighs only .2 oz.

The device comes with a drinking pouch, standard disposable water bottles, and hydration packs. However, you are safe to use the included 7-inch straw to drink directly from a water source.

[The Sawyer Mini Water Filtration System](#) has a 4.5-star rating on Amazon and is Prime eligible. Depending on which pack you choose, your price will range from \$21.99 - \$94.95.

## **Nemo Helio Portable Pressure Shower**

This light-weight system and its insulated heat tank create the perfect shower system for any camper. The included foot pump provides strong water pressure and provides a steady flow for around 5-7 minutes.

The 11-liter tank uses sunlight to heat the water, and it's designed to maintain a warm temperature for hours.

[The Nemo Helio Portable Pressure Shower](#) has a 4-star rating on Amazon and is Prime eligible. It comes in at \$99.95.

## **BioLite Campstove 2 with USB Charging**

This innovative stove turns fire into electricity. It generates three watts of usable electricity which is stored in its internal power bank for later charging of smartphones, LED lights, and other devices.

The internal, 2600 mAh battery is rechargeable. It's designed to store any excess power to charge devices even without a live fire.

A smart LED dashboard gives you real-time feedback on statistics like fire strength, power output, and fan speed settings. Yes, this device comes with internal jets with four fan speeds.

[The BioLite Campstove 2 with USB Charging](#) has a 4-star rating on Amazon and is Prime eligible. It comes in at \$129.95.

## **Garmin Quatix NMEA Marine GPS Sport Watch**

This GPS-enabled marine watch comes with an altimeter, barometer and three-axis compass. It's waterproof and even comes with features for sail-racing like Sail virtual starting line, tack assist, and a countdown timer.

It displays tide charts with detailed data on a preloaded worldwide map.

Other areas of note include GNT 10 NMEA transceiver compatibility, a wireless stream of NMEA 2000 data, and automatic wireless MOB activation.

[The Garmin Quatix NMEA Marine GPS Sport Watch](#) has a 4-Star rating on Amazon. It comes in at \$144.99.

## **Luci Outdoor Inflatable Solar Light**

This extremely durable LED light source is powered by sunlight. It lasts up to 12 hours with only seven hours in the sunlight.

It includes ten LED lights that shine in three settings: bright, super bright, and flashing. There are straps on the top and bottom of the device for easy attachment to backpacks.

[The Luci Outdoor Inflatable Solar Light](#) has a 4.5-star rating on Amazon. It comes in at \$19.95.

## **Tentsile Flite Plus - Suspended Camping Tree House Tent**

This futuristic two-person tent is lightweight, spacious, and armed with a cross-brace for extra headroom. It can be set up within most tree configurations.

The tent includes a full insect mesh top with, two entrance doors, and a removable rain fly. And with dimensions at 11 x 11 x 9ft, you'll have plenty of space to move.

Fold the rain fly traps underneath the tent, hook them to each other, and you've got a second windbreak and a thermal buffer.

[The Tentsile Flite Plus - Suspended Camping Tree House Tent](#) has a 4.5-star rating on Amazon and is Prime eligible. It comes in at \$350.00.

## **Sea to Summit Spark SPI Sleeping Bag**

This innovative sleeping bag will keep you warm in the coldest of climates. It comes with a 10D UL Nylon-treated shell with DWR and a 15D nylon soft touch liner with a high-density weave.

The source of the warmth: 850+ loft ultra-dry down - that's 90/10 European goose down.

[The Sea to Summit Spark SPI Sleeping Bag](#) has a 4-star rating. Depending on size, it can range from \$299.00 - \$319.00.

## **Sidewinder Full-Sized Laptop Sling Pack**

This fully-padded pack can be easily rotated from back to chest. Because of its wide structure, it's capable of fitting most 17" laptops.

The external dimensions are 16.9" L x 10.6" W x 3.1" D (43 x 27 x 8 cm), which leaves wiggle room without the space for damage.

[The Sidewinder Full-Sized Laptop Sling Pack](#) has a 4.5-star rating on Amazon and is Prime eligible. It comes in at \$159.29.

## **LED Camping Lantern (3 Pack)**

This three-pack lantern kit uses 8mm LED's and has a high setting of 150 Lumens. The included lampshade is matte, creating a safe and comfortable light source.

Built with durable materials, this set of lights are actually water resistant. Plus, each lantern weighs only 75g (including batteries) and can be hung on anything that fits within their hooks.

They're easy to use and come with settings of full brightness, half brightness, and SOS. Every light bulb is individually tested before shipping.

There are four color choices, in case you like your trip extra colorful.

[The LED Camping Lantern](#) has a 4.5-star rating on Amazon and is Prime eligible. The three-pack comes in at \$8.88, but if you buy a few more, you can get free shipping.
